

**ILCG AFFILIATE CONSULTANT**

# Jamaur D. Barnes

## Community strategy & partnerships

Connecting community insight with practical programs, trusted partnerships, and sustainable implementation.

Jamaur brings more than 15 years of experience across nonprofit, education, public health, and community-based organizations. His consulting and operational work connects organizational priorities with the perspectives of the people they serve. Through ILCG, he helps clients listen to stakeholders, align partners, and turn shared goals into actionable programs. His approach emphasizes trust, co-design, clear responsibilities, and the capacity to sustain work beyond an engagement.

### AREAS OF EXPERTISE

- Community engagement & co-design
- Cross-sector partnerships
- Workforce program implementation
- Strategic planning & facilitation
- Impact measurement & reporting

### EDUCATION & CREDENTIALS

B.A., Communications (Journalism)  
Prairie View A&M University  
Texas Standard Teaching Certificate,  
Grades 4-8

### SELECTED PRIOR EXPERIENCE

#### Public health implementation

Coordinated community partnerships, engagement, staffing plans, and reporting systems for mobile health expansion with Harris County Public Health.

#### Youth workforce development

Led day-to-day delivery of a youth employment initiative, coordinating participant onboarding, employers, professional development, case management, and documentation.

### HOW WE CAN SUPPORT YOUR WORK

- Community listening plans and facilitated partner convenings.
- Workforce program design, delivery workflows, and reporting.
- Coalition development with shared priorities and practical follow-through.
